Vision Statement

Marina will grow and mature from a small-town bedroom community to a small city which is diversified, vibrant and through positive relationships with regional agencies, self-sufficient. The city will develop in a way that insulates it from the negative impacts of urban sprawl to become a desirable residential and business community in a natural setting. **(Resolution No. 2006-112 – May 2, 2006)**

Mission Statement

The Planning Commission as an appointed body of the City Council will provide the leadership in protecting Marina's natural setting while developing the City on a way that provides a balance of housing, jobs and business opportunities that will result in a community characterized by a desirable quality of life, including recreation and cultural opportunities, a safe environment and an economic viability that supports a high level of municipal services and infrastructure. **(Resolution No. 2006-112 – May 2, 2006)**
