Memo: Essential Emergency Service at Epiphany

Dear Government Partners,

A brief update on our Emergency Services.

Thomas Carman Food Pantry –

The Board of Thomas Carman Food Pantry and Epiphany are committed to keeping this essential program open. As long, as we have volunteers and food, we will serve the community. We feel we have adopted the best health and safety protocol possible and we will re-evaluate those health and safety protocols after every session. You can help us by promoting our donation and volunteer information.

Food –

If you have food to donate or can organize a donation for the pantry, that would greatly be appreciated. Please contact James Osborne to arrange for a time to drop off at the pantry.

ossie7799@sbcglobal.net or 915-2138

Volunteer-

If you feel called to do this essential emergency work, please contact Giselle Young at giyoung@csumb.edu and work 831.402.2840

Breakfast with Friends –

Is in full swing every 2nd and 4th Saturday of the month. The only change to our hot meal program, is suspending our inside dining. All meals for the time being will be served as “To Go” meals, pre served, no options.

Police Emergency Closet –

We are currently fully stocked with tents, sleeping bags, limited emergency clothing and other supplies for the Marina Police Department needs.

If you have any questions, please contact the church at 831-384-6323

Serving our neighbors with open hearts, Fr. Jon +
