SUBJECT: COVID- 19 Response Support – ***Complying with the County order requiring Social Distancing Protocol Plan***

The County on Friday issued a new shelter in place order.

<https://www.co.monterey.ca.us/Home/Components/News/News/6199/1336>

Part of the order required essential business who are operating to implement Social Distancing Protocols if they continue open.

The Police Department is charged with enforcing this order. We have communicated with the Police Department. Their guidance is that if a business posts at their entrance the County's social distancing template with a notice, similar to the one included in this letter, the Police will accept that the business is following the County's order. Here is a link to the County's Social Distancing Protocols

<https://www.co.monterey.ca.us/home/showdocument?id=88419>

We continue to have an economic support committee to help you as best we can. Please feel free to contact them if you have questions.

Matt Mogensen, Assistant City Manager
