On 05/11/11 about 0523 hours, Marina units were dispatched to a victim of an assault in the area of the 3100 Block of Tallmon Street. During the initial investigation, it was determined that a resident at the home where the crime occurred had a party at the location. Once the male regained consciousness, he called 9-1-1. He was later transported to the hospital for his injuries. He was treated and released after a short time.

Once the owners of the residence were contacted, who were not at home at the time of the incident, it was determined several items had been taken from the residence. Some of the items taken were listed as an undetermined amount of jewelry, electronic equipment, a safe, and a firearm.

This case is still under investigation. At this time, no further information is available.
